VMax™ Hand Dryer

High-Speed Vertical Hand Dryer

VMax™ is a 'hands in' vertical style high speed hand dryer featuring a HEPA filter system, wider hand drying cavity opening and antimicrobial technology. Dedicated water collection reservoir eliminates water from collecting on the floor resulting in reduced maintenance. Polarized plug for easy installation eliminating the need to hard wire. Quiet operation is ideal for sound sensitive areas.

Fast - 10 - 12 second dry time, 3X faster than the traditional hand dryers

Hygienic - 25% wider hand drying cavity opening • HEPA filter system with odor neutralizing tablet • Antimicrobial coated surface

Intelligent Maintenance System - LED display indicates when to empty water tray and change HEPA filter for easy maintenance

ADA Compliant - Surface-mounted unit meets ADA accessibility standards

Quiet Operation - Low sound level is ideal for sound sensitive areas

Easy Installation - Polarized plug eliminates the need to hard wire
